(1) For the purposes of this paragraph, "multifamily affordable housing property" means a decent, safe and sanitary dwelling, apartment building or other living accommodation that includes at least 6 units, that meets at least one of the following affordability restrictions and for which those affordability restrictions, as applicable, expire in 10 years or less from the date of the sale or transfer of the property:

(a) At least 20% of the units have restricted rents affordable to households earning no more than 80% of the area median income as determined by the United States Department of Housing and Urban Development;

(c) The property qualifies for low-income housing credits under the United States Internal Revenue Code of 1986, Section 42.

(a) The transferee agrees to maintain the property as multifamily affordable housing property for an additional 30 years from the scheduled expiration;

(b) If the existing federal, state or other assistance is not available to maintain the property as multifamily affordable housing property, the transferee agrees to ensure that 1/2 of the units are affordable to persons at 60% of the area median income as determined by the United States Department of Housing and Urban Development for 30 years from the expiration of the then-existing affordability restrictions; or

Prior to receiving a loan under this paragraph, a homeowner must receive counseling with a 3rd-party, nonprofit organization approved by the United States Department of Housing and Urban Development, a housing financing agency of this State or the regulatory agency that has jurisdiction over the creditor; [2009, c. 361, §2 (AMD); 2009, c. 361, §37 (AFF) .]

CC. DD. Certify affordable housing projects for the purpose of the income tax credit increase under Title 36, section 5219-BB, subsection 3; administer and enforce the affordability requirements set forth in this paragraph; and perform other functions described in this paragraph and necessary to the powers and duties described in this paragraph.

(1) For purposes of this paragraph, unless the context otherwise indicates, the following terms have the following meanings.

(a) "Affordable housing" means a decent, safe and sanitary dwelling, apartment or other living accommodation for a household whose income does not exceed 60% of the median income for the area as defined by the United States Department of Housing and Urban Development under the United States Housing Act of 1937, Public Law 412, 50 Stat. 888, Section 8, as amended.

(b) "Affordable housing project" means a project in which:

(i) At least 50% of the aggregate square feet of the completed project is housing of which at least 50% of the aggregate square feet of the completed housing creates new affordable housing; or

(ii) At least 33% of the aggregate square feet of the completed project creates new affordable housing.

(2) An affordable housing project for which the owner of the property received the income tax credit increase under Title 36, section 5219-BB, subsection 3 must remain an affordable housing project for 30 years from the date the affordable housing project is placed in service. If the property does not remain an affordable housing project for 30 years from the date the affordable housing project is placed in service, the owner of the property shall pay to the Maine State Housing Authority for application to the Housing Opportunities for Maine Fund established under section 4853 an amount equal to the income tax credit increase allowed under Title 36, section 5219-BB, subsection 3, plus interest on that amount at the rate of 7% per annum from the date the property is placed in service until the date of payment of all amounts due. The affordability requirements and the repayment obligation in this subparagraph must be set forth in a restrictive covenant executed by the owner of the property and the affordable housing project for the benefit of and enforceable by the Maine State Housing Authority and recorded in the appropriate registry of deeds before the owner of the property claims the income tax credit increase under Title 36, section 5219-BB, subsection 3.

(3) If the repayment obligation in subparagraph (2) is not fully satisfied after written notice is sent by certified mail or registered mail to the owner of the property at the owner's last known address, the Maine State Housing Authority may file a notice of lien in the registry of deeds of the county in which the real property subject to the lien is located. The notice of lien must specify the amount and interest due, the name and last known address of the owner, a description of the property subject to the lien and the Maine State Housing Authority's address and the name and address of its attorney, if any. The Maine State Housing Authority shall send a copy of the notice of lien filed in the registry by certified mail or registered mail to the owner of the property at the owner's last known address and to any person who has a security interest, mortgage, lien, encumbrance or other interest in the property that is properly recorded in the registry of deeds in which the property is located. The lien arises and becomes perfected at the time the notice is filed in the appropriate registry of deeds in accordance with this subparagraph. The lien constitutes a lien on all property with respect to which the owner receives the income tax credit increase under Title 36, section 5219-BB, subsection 3 and the proceeds of any disposition of the property that occurs after notice to the owner of the repayment obligation. The lien is prior to any mortgage and security interest, lien, restrictive covenant or other encumbrance recorded, filed or otherwise perfected after the notice of lien is filed in the appropriate registry of deeds. The lien may be enforced by a turnover or sale order in accordance with Title 14, section 3131 or any other manner in which a judgment lien may be enforced under the law. The lien must be in the amount of the income tax credit increase allowed under Title 36, section 5219-BB, subsection 3, plus interest on that amount at the rate of 7% per annum from the date the property is placed in service until the date of payment of all amounts due. Upon receipt of payment of all amounts due under the lien, the Maine State Housing Authority shall execute a discharge lien for filing in the registry or offices in which the notice of lien was filed.

(4) Annually by every August 1st until and including August 1, 2023, the Maine State Housing Authority shall review the report issued pursuant to Title 27, section 511, subsection 5, paragraph A to determine the percentage of the total aggregate square feet of completed projects that constitutes new affordable housing, rehabilitated and developed using:

- (a) Either of the income tax credits under Title 36, section 5219-BB, subsection 2; and
- (b) The income tax credit increase under Title 36, section 5219-BB, subsection 3.

If the total aggregate square feet of new affordable housing does not equal or exceed 30% of the total aggregate square feet of rehabilitated and developed completed projects eligible for a credit under Title 36, section 5219-BB, the Maine State Housing Authority and Maine Historic Preservation Commission shall notify the State Tax Assessor of this fact. [2011, c. 453, §2 (AMD).]

[2011, c. 679, §29 (AMD) .]
